

International Laser Display Association Board of Directors

Terms in Office, August 1986 - November 2020

Current Board and *President*, as of November 21 2020, are highlighted

	1986	1987	1988	1989	1990	1991	1992	1993	1994	1995	1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020				
																																					Abdulwahab Baghdadi 3rd Dimension Eventech		
																																					Dirk Baur MediaLas		
																																					Robert V. Belfatto, Sr. NEOS Technologies		
																																					William R. Benner, Jr. Pangolin Laser Systems		
																																					Paul Berthot Clandestine Systems		
																																					Brad Billet BB Laser Productions		
																																					Hugo Bunk Laserimage, b.v.		
																																					Len Debenedictis Coherent		
																																					Ivan Dryer Laser Images Inc.		
																																					Olga Eser Effect Ses Işık Lazer		
																																					Brian Gonzalez Xtaega		
																																					Dan Goldsmith X-Laser		
																																					Ron Goldstein Laser Media		
																																					Walter Gundy Image Engineering Corp.		
																																					Jim Hardaway LFI International / Neo-Neon		
	1986	1987	1988	1989	1990	1991	1992	1993	1994	1995	1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020				
																																						Hayden Hale Pangolin (to 8/2011) / Individual	
																																						John Hare Bishop Planetarium	
																																						Stephen Harvey Laser Magic/LM Productions	
																																						Steve Heminover Aura Technologies	
																																						Alex Hennig LOBO electronic	
																																						Bill Holtkamp Crystal Tech./Spectra-Physics	
																																						Christine Jenkin LaserNet	
																																						Alberto Kellner Laser Entertainment	
																																						Greg Makhov Lighting Systems Design Inc.	
																																						Peter Mayer Creative Laser Production	
																																						Joanne McCullough Audio Visual Imagineering	
																																						Roberta McHatton Laser Safety Services	
																																						Patrick Murphy Pangolin Laser Systems	
																																						Craig Nelson Logic Systems / Laser Fascinations	
																																						Justin Perry Pangolin Laser Systems	
																																						Theo Petrides Individual Member	
																																						Ed Ruff Ed Ruff Associates	
	1986	1987	1988	1989	1990	1991	1992	1993	1994	1995	1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020				
																																							Dick Sandhaus Science Faction Corp.
																																							Carol Seidel Lexel Laser
																																							Christopher Short Individual Member
																																						Casey Stack Laser Physics	
																																						James Stewart Laser Visuals	
																																						Francesco van Loon Collimated	
																																						Tim Walsh Laser Spectacles	
																																						Chris Ward Lightspeed Design	
																																						Bob Yazell Coherent	
																																						Tony Zmorski Walt Disney World
